Subject: RE: Delta Shipyards

Brenda has sent out requests for the validated data on the missing delivery group – for her part she said if we don't get anything by Wednesday – to go ahead and complete the tables without the final version for those samples. She would like all the tables by Wednesday afternoon. Thanks!

Did you get a chance to put those Removal Management Screening Levels into Scribe? If so, could you provide me with a data table?

which may be a computer program. This attached computer
program could
contain a computer virus which could cause harm to EPA's
computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses
introduced
into the EPA network. EPA is deleting all computer program
attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was
legitimate, you
should contact the sender and request that they rename the
file name
extension and resend the Email with the renamed attachment.
After
receiving the revised Email, containing the renamed
attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
